

Internal Medicine Associates of Raleigh, PA

Thank you for scheduling your Complete Physical Exam with our office. Your physical exam may require fasting blood work. If you're a **new** patient the physician will determine this on the day of your appointment. If your appointment is scheduled for morning you may have black coffee or water only after midnight. If your appointment is in the afternoon, you may schedule to have your blood drawn early on a morning following your physical exam.

As a reminder, please bring your current insurance information. Be aware there are some insurance companies that will only pay for a complete physical every 12 months. Make certain that you have scheduled your appointment appropriately. Check with your company's benefit administrator to make sure your insurance plan covers this type of exam. If your insurance carrier is **Medicare** a physical exam is not covered and therefore you will have a charge that is payable at the time of your visit.

If for any reason you cannot keep your appointment we ask that you notify our office within 24 hours in advance or a \$50.00 fee will be charged to your account.

We are pleased that you have chosen our practice for your medical care and look forward to seeing you at your scheduled appointment time. **Please arrive 15 minutes before your scheduled appointment time.**
